

# Hat-trick for Golden Rock and continuing success for Trussardi

Dynamik Stallions youngest member of the team, Premium Licensed Stallion Golden Rock, has made us all very proud once again.

Golden Rock has now competed at three Young Horse Competitions in Germany and has been the Champion of all three.

At his first competition at the Pony Meeting In Ludinghausen, Golden Rock dominated the entire field with an outstanding score of 8.5. Talk about consistent, he scored 8.5 all round for his paces, conformation and overall impression.

Continuing his victorious streak, Golden Rock won his next two young horse starts and this time in open fields against warmbloods.

Dynamik Stallions Premium Licensed German Riding Pony Trussardi has also has some success in the last few months. In May this year he competed in a Young Horse Class in Olfen-Vinum, Germany. In a very strong field Trussardi was the Overall Winner with a score a 8.42.

In June Trussardi competed at another Young Horse Competition and once again showed us that he is a talented and reliable mount, he was Second on an impressive Score of 8.5 overall, having scored a 9 for his expressive trot, walk and his conformation.

We are very grateful to our professional pony rider, Danica Duen for her excellent preparation of our ponies once again. We wish her the very best of luck and success at the "Westfalen Week" Bundeschampionate Qualifier which is to be held in Muenster-Handorf on Friday the 29th of July.

Nord Rhein -Westphalia is the central hub of the horse industry in Germany and encompasses the areas from around Muenster and Warendorf, with a large selection of horses in the area always provides a strong high quality field in regional competition.

Overall there are potentially thousands of ponies and thousands of horses vying to qualify and be selected to compete at the Bundeschampionate. It is considered to be very prestigious for any horse or pony to qualify for Bundeschampionate let alone make the finals at the competition. Of course winning a gold, silver or bronze Medal is a dream come true for not only the rider but also for the owners and breeders of these young horses.
